# '69 Seniors Honor Wayne G. David

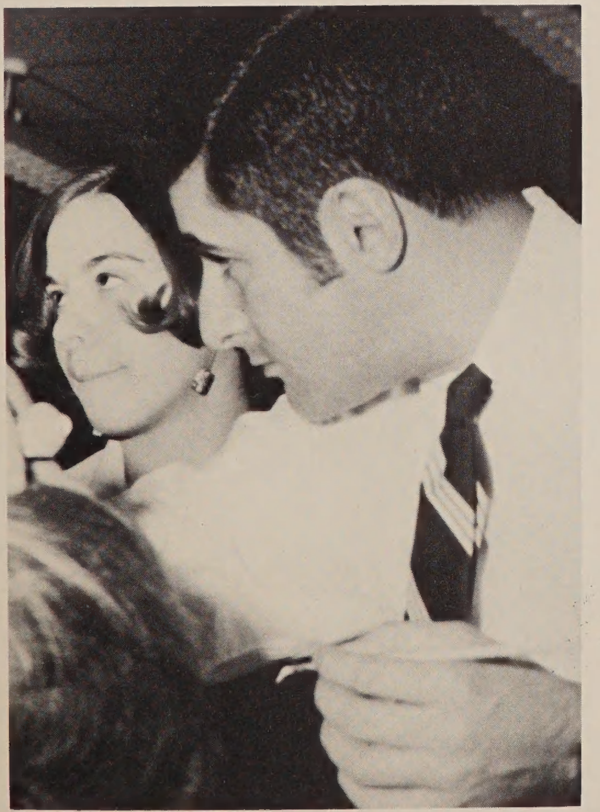
A love of the theater and the philosophy that one way to get to know yourself and express yourself to others is through acting, has lead Wayne G. David to the head of Bellevue's drama department.

Mr. David who has been at Bellevue for six years initiated the Children's play last year and hopes to make it a tradition at Bellevue. His desire to be helpful and to understand young people has aided Wayne David in the production of such plays as "My Fair Lady" and "Westside Story". Along with directing two plays and a musical in a year, Mr. David teaches speech classes and coaches for speech contests.

"If he is indeed wise he does not bid you enter the house of his wisdom but rather leads you to the threshold of your own mind."
—Kahlil Gibran

With this in mind, the Class of '69 dedicates the Chieftain to Wayne G.David.

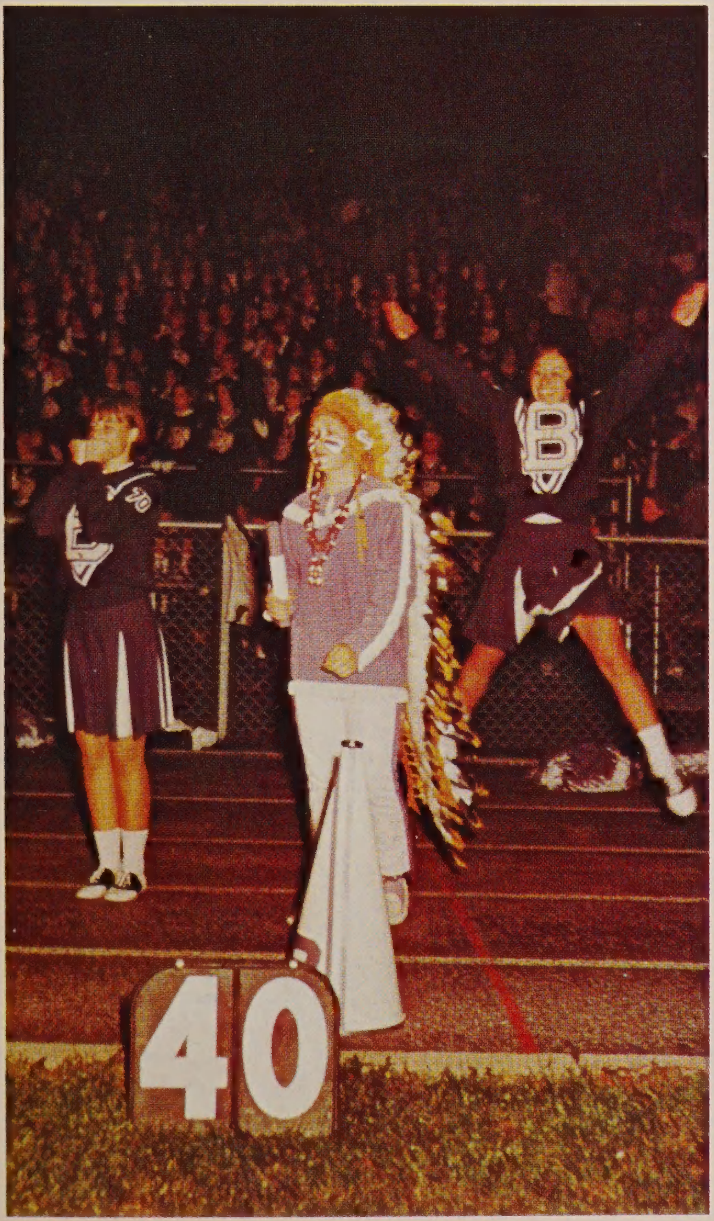
**Mr. David applies make-up to one of his characters in "Barefoot in the Park".**



**Working closely with his students, Mr. David offers a few helpful hints.**

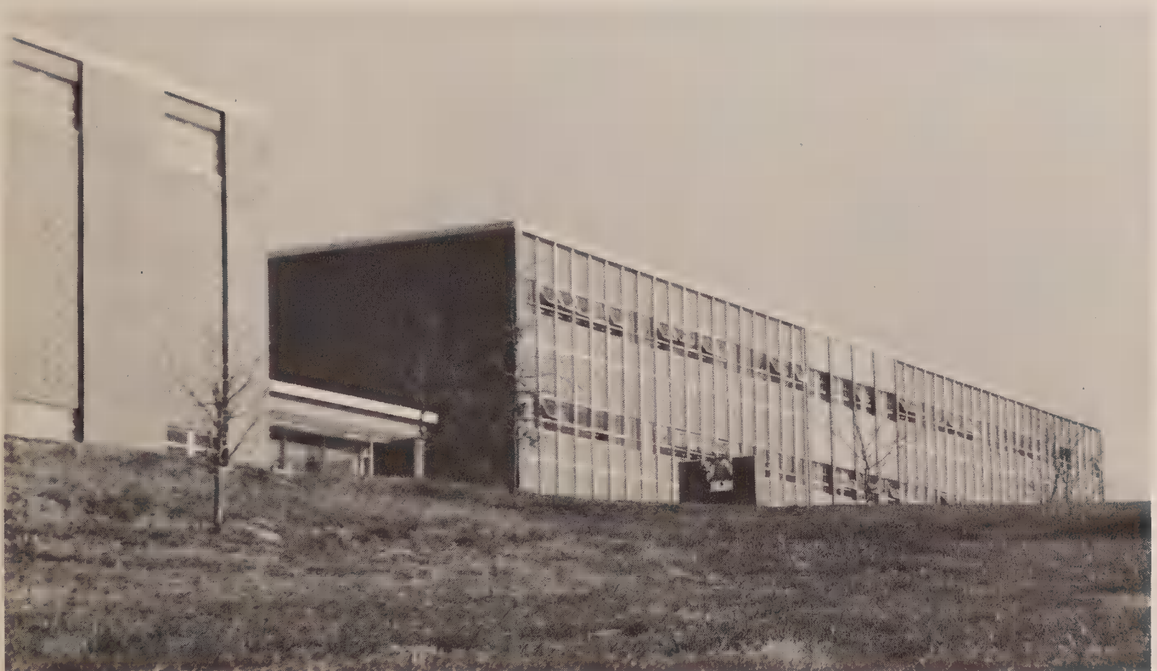
**Mr. David demonstrates the school's video taping camera in one of his speech classes.**

SING IT TO ME



*A gift of the wind, we came. We were a child's toy gilded in hope, and our music box strains of defiant optimism pierced through the desonant world. By the wind we were wrought and by the wind we will be snatched away—a tattered plaything.*

*. . . Contemplation . . . They were long hours of thought and emotional instillment . . .Hours of tests that prodded on the soul. They were hesitations of thought about the future . . . And moments of frustration and clenched fists. It was puzzlement . . . And more puzzlement . . . Contemplation.*



*. . . Moments . . . They were moments of solitude. They were Huckleberry Finn moments of convex reflections and distorted faces. They were prophetic glances of crowdless splendor. They were moments . . . Moments of serenity.*

# Administration

The purpose of the administration, under the direction of the superintendent, is to propose school policies for all Bellevue Schools. Dr. Richard Triplett is the superintendent of schools this year.

The School Board represents the public taxpayers. They vote on legislation to be used by the administration. The Board consists of six members chosen by and from the school district of Bellevue.

**School Board—Back row:** Leonard Lawrence, Dr. Paul Hartnett, Louis Sones, John Reinhart. **Front row:** Col. Buersmeyer, Marvin Ellis, president; Dr. Richard Triplett, superintendent; Ron Garrett, vice-president.

# Principals

New to Bellevue High's administrative staff is Mr. Harold Terry who replaces Mr. Arnold Smith as assistant principal and Director of Activities.

Mr. Terry joins Principal Lloyd Boilesen and Assistant Principal Larry Eaton in assuming the responsibilities of the school's curricular program.

Beginning this year, a Student Advisory Committee has been created by Mr. Terry and Mr. Eaton to provide a communication link between students and administration. This committee acts as a sounding board for the entire student body and offers student opinion in regard to the policies of the administration.

With an increase of 200 students in the total enrollment, administrative positions have become more demanding and time consuming.

As assistant principal, Mr. Eaton is basically in charge of curriculum and instruction. Mr. Terry, also an assistant principal, is Director of Activities in addition to Supervisor of Building, Facilities and Grounds. Dr. Boilesen, the principal, is legally and administratively responsible for the total school program.

# Staff Workers

Office, kitchen, and custodial staff workers aided in the efficiency of operations at Bellevue Senior High.

With an ever increasing student enrollment from year to year, the office staff is faced with a difficult work load. Mrs. Kurtpatrick, new to the staff this year, assists the principals with their duties.

An improvement was seen in this year's lunch program. A centralized kitchen located in the Administrative building was newly organized. The Superintendent of Food and Transportation for the Bellevue Public School System, Mr. Clyde Woolsey, originated this program.

The maintenance of the school is an around-the-clock duty for the custodial staff and their assistants.

# Counselors

Constituting one of the many counseling duties at BHS is the enrolling of new students for the coming year.

The counselors' advice is sought when choosing classes for the next year, deciding upon a college or career for graduating seniors.

Students registering for the Nebraska Regents, PSAT, ACT, SAT, and other innumerable achievement tests find assistance readily available in the counselors' office.

# English

During three years of high school English students learn to use the tools of our language: reading, writing, listening, and speaking.

Sophomores are introduced to a mixed study of literature, followed by American literature in their junior year, and English literature in their senior year. Students also gain increased knowledge of traditional and modern literature and of library techniques which are needed for college bound students and others going into careers.

The yearly publication of the Image is sponsored by the English department. The purpose of this publication is to stimulate student interest in creative writing.

Teachers in the English department this year found that many of today's popular movies coordinated with their literary studies. Some of the movies that students attended included "Hamlet", "Charly", and "Oliver".

During the year, all English classes participated in an inter-school survey which was designed to reveal the reading habits and writing abilities of Bellevue students. The English classes assembled in the Little Theater, completed questionnaires, and wrote themes.

The basic purpose of the survey was to compare the literary backgrounds of the students through the results of the poll.

Juniors are required to take American History and Seniors must take Economics or International Relations Seminar and Government. The subjects are offered to assist the student in learning about his country's heritage and the operation of the government.

Psychology and Sociology are also areas of Social Studies offered to the student. New to the BHS department is the International Relations Seminar.

Two new subjects just added this year are Data Processing, Marketing and Merchandising.

Although some students don't major in the business field they do find that it broadens their background for college.

Business teachers and students enrolled in Business education courses attend the Marion High School Business Contest in which seventeen other high schools from the Omaha area participated.

Students competed in such categories as shorthand, typing, vocabulary, accounting, spelling and current events.

Out of the seventeen schools entered in the competition, Bellevue students ranked fourth.

Each year students are given an opportunity to take a national mathematics' test which enables them to recognize the field of mathematics which they may pursue. However, this test is not instrumental in qualification for entering college.

This year team-teaching is being used on an experimental basis by Mr. Lonnie Disterhaupt and Mrs. Virginia Southwick.

# Language

The German, French, and Spanish classes at B.H.S. use labs to help the students comprehend the language of their choice by orally repeating and listening to specific language patterns.

Every year the language clubs sponsor the Big Four Banquet. A different club takes the responsibility of the banquet each year. This year the Latin Club was in charge of the festivities.

Each language course extends from first year to fourth and fifth year for the more advanced language student.

Latin I students were introduced to a new method of teaching, complete with new books. The emphasis is now placed on oral comprehension rather than the knowledge of Latin grammar.

As in past years, the language clubs again participated in the annual volleyball tournament. The championship this year went to the German club, under the sponsorship of Mr. Sokalsky.

Chemistry laboratories offer the student an opportunity to observe the chemical reactions that take place during an experiment.

Biology shows the student the basic mechanics of life.

Distinguishing himself and Bellevue Senior High, Mr. William Emrich was selected as the Outstanding Biology Teacher in Nebraska by the Nebraska Division of the National Association of Biology Teachers. In expressing his desire for teaching biology, Mr. Emrich said, "We must educate so that the future generations do not ruin the environment they are going to live in."

Under the direction of Mr. Bill Mahnke the instructional material center offers film strips, tape recorders, typewriters, and various other visual aides which are available to help both students and teachers in their work. A newly formed group study center, located in the IMC, gives the students a chance to work on group and class projects together.

A new service to BHS students this year is the opening of the library on two nights a week. Mr. Louis Worm, librarian at Bellevue High, is assisted in his duties by the Library Service League. Students may use books, magazines, and newspapers from the library which may help them in their studies.

Special education classes provide a student with an opportunity to develop his self-confidence and ability to express his ideas to others.

A PROUD TRADITION

# Physical Education

Volleyball, basketball, and baseball are only a few of the variety of sports that are taught in both boys' and girls' gym classes. Girls are given an opportunity to learn classic dances, while boys may practice their shooting skills with bows and arrows.

During her first year at Bellevue, Miss Joan Heckel organized Bellevue's first girl's swimming team, which later went on to win first place in the state tournament. She also formed a girl's gymnastic team and can credit herself with being Bellevue's first woman coach for the boys' diving team.

Mr. Bill James is not only the physical education teacher for boys but has also been head coach for the varsity football team for 12 years.

Students in physical education participate in a variety of sports activities. Although the same sports are included in both girls' and boys' classes the rules are revised for the girls' classes.

Physical Education is only required for sophomores, however, the juniors and seniors may still include it in their schedule.

# Drivers Ed., R.O.T.C. Home Economics

Air Force Reserve Officers Training Corps is a preparatory course giving boys an advantage toward a military career. Lt. Col. Charles Hicks served 25 years in the Armed Forces before becoming an ROTC instructor.

Drivers education prepares students for better and safer driving habits on the road. Before a student receives actual driving experience, he is given the chance to use the simulator, which reproduces regular driving hazards and problems on a screen.

Home Economics teaches the basic fundamentals of cooking and sewing, in addition to home and family relations.

In supplementing the Home Furnishings Unit, the Advanced Home Economics classes participated in a field trip to the Omaha Home Show. Decorating techniques and color schemes were observed in complete room displays at the show.

As well as reigning as Chieftain Princess, Barb Johnson was secretary of the Student Council and held the role of Corie in the fall production of "Barefoot in the Park." As a junior, she served as treasurer of her class, held the post of co-chairman of the Prom, participated in County Government Day, and was selected as a representative to Girls' State.

# Happiness Is . . . Homecoming 1968

Cold weather and rain failed once again to cancel Homecoming activities for BHS students.

Breaking away from tradition, club floats were replaced by a display on the school lawn of Peanuts characters depicting the theme, "You're A Good Man Charlie Brown."

Clear skies prevailed the day of the Homecoming Game against Benson. The Chieftains, in the spirit of Snoopy, rallied to a 27-13 victory over the Bunnies.

Donned in their new uniforms the Marching Band, accompanied by the Bellevedettes, initiated half time, which was highlighted by the announcement of Jackie Lee as Homecoming Queen.

Peanuts characters welcomed couples as they entered the Homecoming Dance. In the atmosphere of the Pumpkin Patch, couples danced and found refreshments not far away at Lucy's Psychiatric Booth. The evening ended on a happy note as Jackie Lee and John McGuire were crowned Homecoming Queen and King.

# Fall Play Featured A Light Comedy

"Barefoot in the Park," a light comedy by Neil Simon was presented as the 1968 Fall Play.

This comedy concerns a young newlywed couple experiencing the ups and downs of married life.

Although the play called for six characters, it took the efforts of about 100 people to produce "Barefoot in the Park." Masquers and Keneses members were involved with props, make-up, scenery, painting, lighting, sound, costumes, business and publicity. The play ran from December 5 to 7.

Shawn O'Keefe–Tim Kelling

# 'On The First Day Of Christmas . . .'

Instilled with the Spirit of Christmas, the Senior Class recreated "The Twelve Days of Christmas" as the theme of the '68 Sno-Ball Dance. Many long hours and extra efforts went into the construction of a plaque to represent each of the 12 days which decorated the lounge walls. Entertainment was provided by the Les Smith Soul Band.

Master of Ceremonies, Kerry Blair, introduced the 16 candidates. Then came the announcement that Shawn O'Keefe and Tim Kelling were the '68 Sno-Ball King and Queen.

In the midst of pine boughs and glowing candles, the Sno-Ball Dance faded into the midnight hours.

Foreign Exchange Student Mari Yano

# Bellevue Welcomes Japan's Mari Yano

Mari Yano came to Bellevue from Nagasaki City, Japan, where she lived with her mother and grandmother. Mari now lives with her new family, the M. F. Scoggins.

Since the seventh grade, Mari has studied English, which she considers quite difficult, at Kwassui School in Japan.

Among Mari's many interests are art, stamp collecting and playing the piano, which she has played for 10 years. Mari became involved in Bellevue High by joining the Chorus and the Pep Club, where she'd find herself out on the field in the Spirit Line joining in all the excitement.

Mari intends to go to college after she graduates from Bellevue, yet she does not have definite plans for the future.

Mari Yano found it necessary to adjust to classroom situations at Bellevue in contrast to those in Japan.

The Scoggins family presently includes Diana, Mari and Lt. Col. and Mrs. Merle F. Scoggins.

# Council Initiates Freer Study Halls

The Student Council, one of Bellevue's most important student organizations, found itself busy promoting good citizenship, a forum for student opinion, improving school morale, and assisting in the management of the school.

At the beginning of the year, each homeroom selected one representative and one alternate. These representatives attended all meetings and reported the information back to their homerooms, thus creating closer contact between the Student Council and the student body.

One of the major accomplishments of the Student Council was the instigation of the 'Permissive Study Hall'. Working closely with the administration, the Student Council helped construct the rules regulating the freedom of movement for students during their study halls. Each student received an honor pass, which allowed him free movement in the student lounge, to the library, the counselors' office, the restrooms and the materials center.

As the sponsor of Homecoming, the Student Council innovated a new tradition which replaced the parade activities of previous years. A Homecoming display, which coincided with the theme "You're a Good Man, Charlie Brown" was set up on the front lawn of the high school. The various clubs constructed the individual characters while Student Council members maintained the organization of the activities.

# National Honor Society

**National Honor Society Officers:** Karen Madsen, Secretary; Bill Stadtwald, President; Carter McCann, Vice-President; Pat Gryskiewicz, Treasurer.

"Noblesse Oblige", the motto of the Arrowhead Chapter of the National Honor Society of Bellevue Senior High, describes the basis for the formation of the chapter in 1940.

Stressing encouragement of scholarship and knowledge serves as the club's function. The National Honor Society is an honorary club more so than an active one.

Bellevue's Arrowhead Chapter is made up of active and probationary members, consisting of students in the upper one third of their class. Members are nominated by the entire faculty at the end of every year. Taken into consideration when nominating students, is the character, scholarship and leadership of the individual and the service he has given to his school.

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be given to a high school student. Once selected, the student must then apply himself to improve conditions about him and promote his qualities of leadership, character and scholarship.

**National Honor Society—Back row:** Curtis Manning, Carter McCann, Mike Sweet, Tim Augustyn, Greg Adams, John Kurtz, Skip Soucie, John McElveen, Steve Lawson, James Collins, Bill Hendrix. **Third row:** Ellen Williams, Joel Stahmer, Barry Jensen, Bill Stadtwald, Lane Sorelle, Kerry Blair, Ann Brooks, Karen Ellerbusch, Pat Gryskiewiczes, Ralph Tate, Marjorie Taylor, Beth Jenkins. **Second row:** Mary Conoan, Melanie Klein, Pam Stoddard, Jill Onken, Shawn O'Keefe, Lee Ann Lane, Peg Cerven, Sue Senft, Jan Blum, Terry Moyer, Karen Sadaj, Marilyn Hammond. **Front row:** Jean Applegate, Carol Lively, Jackie Lee, Jan Ananian, Bobbi Franklin, Barb Johnson, Marcia Buckingham, Delinda Layne, Karen Madsen, Barbara Fedro, Mr. Louis Worm, Sponsor.

Those who were interested in the field of debate could join the National Forensic League, the international society for outstanding high school debaters, after accumulating the required twenty-four points.

Debaters contended with other debaters from other high schools under three divisions of the novice, first-year novice and beginning novice debaters.

# Tom Tom Staff

More comprehensive coverage and perception of issues was the main goal of the '68-69 Tom Tom Staff.

Under the leadership of Editor-in-Chief Ann Brooks and Advisor Dennis Loftus, the staff produced several major changes in the paper.

The change from linotype to offset printing placed more responsibility upon each member of the staff and gave them experience with the actual printing of the paper.

Another innovation was the switch from regular newsprint to heavier white paper.

# Chieftain Staff

The Chieftain Staff, under the direction of Advisor Dennis Loftus, incorporated a change in the editorial organization of their staff.

The co-editor positions of the past years were replaced by an editor-in-chief and two associate editors.

Each section was assigned a photographer responsible for getting all candid and group pictures completed by the posted deadlines.

This year two journalism students were assigned to edit each of the eight sections of the yearbook. However, mutual cooperation and participation played an important part in the final push to complete the yearbook. After each of the section editors had completed his section, he assisted one of the other editors whose section was incomplete.

# Quill & Scroll Camera Club

To obtain membership in Quill & Scroll, it is necessary to collect fifty points by becoming involved in such activities as writing stories, typing copy, and selling yearbooks and newspapers.

Money earned through various bake sales was used in purchasing gifts and candy for children in one of Omaha's hospitals. Staff members were arrayed in festive costumes and paraded through the wards singing carols and passing out gifts.

A picnic at Arbor Lodge and a tour of an Omaha T.V. station were scheduled field trips provided by the club.

The Camera Club, also sponsored by Dennis Loftus, was composed mainly of staff photographers. Other members included those interested in photography as a hobby or those considering it as a future occupation.

Developing specific darkroom techniques and the application of these techniques became the future objectives of the '68-69 Camera Club.

New activities of the Spanish Club for the 1968-69 year included several Spirit Breakfasts in order to increase school spirit and raise funds for future club activities.

Under the supervision of Miss Ruth Snavely, members sponsored a Taco Sale in February and many bake sales throughout the year. Members also aided in the Big Four Banquet by performing a skit concerning the language barriers between Spanish and English speaking people.

Latin Club once again assumed the sponsorship of the annual Big Four Banquet, headlining its' major activities for this year.

In the fashion of an ancient Roman slave market, members were auctioned off to the highest bidder.

Other projects included raising money for the State Latin Club Convention in March. Latin Club, along with the other language clubs, played in the Big Four Volleyball Tournament.

Bake sales proved to be successful money-making projects throughout the year. Active members participated in the volleyball tournament with competition from all four language clubs.

The Library Service League, under the supervision of Louis Worm, teaches as well as helps the students who are involved. The members aid students in checking out books and also in learning to use the Reader's Guide and other directories.

# Masquers
# Thespians

Being concerned with the crew work behind the scenes of a BHS dramatic production is the job of the Masquers Club.

Under the direction and supervision of Mr. Bill Mahnke, sets are designed and constructed. Many hours of work after school go into the final product.

Also aiding in the productions are members of the National Thespians Society. Applying make-up, designing costumes, and acting are among the various jobs which Thespians share with the Masquers.

# Kenesis Safe-Teens

Kenesis, Bellevue High's art club, provided the student, who may be interested in art, the opportunity to express himself by working on stage sets and decorations for BHS functions.

Field trips and an art show were among plans for activities to be taken up under the leadership of Terry Moyer, President and Didi Werth, Vice-President.

Using their driving skills to the fullest extent, Safe-Teens members sponsored two car rallies and displays on car safety for National Auto Safety Week.

**Safe-Teens members were sponsors for this year's winter and spring car rallies and displays on car safety.**

Emoclew provided assistance for new students during their first days and helped guide "lost" parents at Open House.

# Emoclew

Emoclew, sponsored by Quinton Hughes, was responsible for remembering the birthdays of the teachers and administrators of BHS. A single red rose was presented to each member of the faculty on his or her birthday.

The parents of football team members were honored and introduced during a special game, after which Emoclew members served doughnuts and coffee in the student lounge.

Guides for the annual Open House were provided by Emoclew and several members undertook a letter writing project to aid in the School Bond Issue.

Birthdays aren't all that bad, thanks to Emoclew.

# Pre-Med, Red Cross

To provide interested students with opportunities to observe varied aspects of the medical profession was the main goal of the Pre-Med Club. Under the sponsorship of Mr. Bill Emrich, the club organized frequent field trips including one to Creighton University where the students were enlightened to the many wonders in the world of medicine.

The Red Cross Club, sponsored by Mrs. Doris Schneider, held a canned food drive for the poor during Thanksgiving. They also collected a variety of games and records to send to men in Vietnam. In the spring, members visited an orphanage and took several children to the zoo.

The Distributive Education Clubs of America organization is a program of instruction in marketing, merchandising and management. The newly formed chapter at BHS holds as its main goals: to develop a respect for education in marketing and distribution (which will contribute to occupational competence) and to promote understanding and appreciation for the responsibilities of citizenship in our competitive enterprise system.

Under the sponsorship of Mr. Byron Vanier, the club attended the delegate assembly in Lincoln for the election of state officers and later attended the State Leadership Conference also held in Lincoln.

Among their money-making projects DECA sold a variety of Christmas ornaments and photo albums.

**The Chorus, directed by Allen Barnard, presented frequent programs during BHS assemblies.**

# Choral Groups

Under the direction of Allen Barnard, the Chorus presented a fall program entitled "Sing It to Me". The atmosphere was informal with audience participation.

Various concerts were presented by the choral groups throughout the year, such as the Christmas and spring programs.

The Belle-Aires performed frequently on T.V. where they sang popular as well as Christmas music. The Belle-Aires are chosen not only for their musical ability but also for their voice quality.

The main goal of the Junior Chorus was to learn the basic fundamentals involved in choral singing, but they also presented a program during the holiday season.

**School spirit was boosted by over three hundred members of Pep Club, who attended all games and pep rallies.**

# Pep Club

Under the leadership of Jackie Lee and the supervision of Mr. Allen Barnard, the Pep Club was reorganized. More complete records of each girl were kept to insure a more efficient organization. The re-emergence of the card section added variety during the half time activities.

Among the changes in the Pep Club, were the introduction of new sweaters and the Honor "B". The Honor "B" created a new incentive for Pep Club members. The "B" represents active participation and a great deal of school pride on the part of the girl.

**Pep Club Officers**—Jackie Lee, president; Joey Adkins, vice-president; Mary Hansen, secretary; Patsy Wagner, treasurer.

These girls learned new cheers and competed against other cheerleaders from all over the U.S. and won four ribbons. Money for this trip was earned by members of the Pep Club through many bake sales.

Varsity and Junior varsity squads are chosen in the spring of each year on the basis of coordination, personality, leadership and appearance.

These cheerleaders then work together throughout the summer to practice and perfect their cheers.

**The letter for sports achievements, warrants careful attention from its owner, B-Club member Jack Davis.**

# Bellevedettes

Led by Captain Shawn O'Keefe and Co-captain Delinda Layne, the '68-69 Bellevedette Drill Team numbered 24 sophomore, junior and senior girls, under the sponsorship of Mrs. Joan Jensen.

Beginning practice during the last week of July, the Bellevedettes worked to improve their marching skills three days a week, from 8 to 9:30 a.m. Once school started, the group used their first period to practice for the half time shows.

The Bellevedettes have once again added new attire to their marching equipment. With the arrival of the band's new uniforms, the Bellevedettes have added purple-sequined top hats.

Among other activities, the Bellevedettes have performed at one of the Omaha Mustang football games and participated in Band Day at Lincoln.

Tryouts for next year's squad are held in the spring. Prospective Bellevedettes must have a three average and attend one of two clinics before tryouts. Clinics enable the senior Bellevedettes to help the girls learn correct marching techniques.

# Cross Country Earns 8th in State Ratings

For the first time, the Chieftain cross country team placed in District and qualified for State. Rick Beason took 1st place individual honors in leading the team to a 3rd place District finish. The harriers placed 8th in State behind Beason's 4th place finish.

Since his arrival two years ago, Coach Don Patton has welded a strong area competition out of a team that had been previously unable to break even in dual competition. This season the Chiefs finished at 6-3, including a victory over Benson that snapped a 22 match win-streak held by the Bunnies.

Stan Stolpe was the only senior on a varsity team dominated by the Class of '70. Rick Beason, Gail Johnson, George Rybar, George Muth, and Mark FitzHarris were the juniors completing the varsity squad.

Competing teams each enter five runners in the dual meets. The first four members of each team that cover the course are given the number of points corresponding to the place they finished. The team scoring the fewest points is the victor.

Since the schedule called for early September meets, all runners were encouraged to work out during the summer. The informal practice sessions and individual efforts paid off in getting the team in good shape for the season.

A final burst of speed sends junior Gail Johnson across the finish line.

Coach Jack Wood sent a squad that fared well in both the Metro and State tournaments.

The team tied for 5th in State behind first-round victories by Dave Gerrish and Bernie Klein in doubles and Bob Carroll in singles. Carroll and Gerrish teamed to take second place in Metro doubles.

In duel matches, Chris Darrel and Dave Bakke played doubles while Jim Buie and Bill Wade conpeted in singles, completing the varsity roster.

# Chiefs Bounce Back; Capture 6th in State

For the second year in a row, the football team tied for first place in their division, yet failed to receive the Metro play-off bid. The nod went to Boystown, who tripped the Chiefs 14-12 in the season opener.

After the initial loss, and a tie with highly regarded Westside, the gridders came back and won six consecutive games.

The effective passing duo of All-Metro quarterback Tim Kelling to end John Shields combined for eight touchdowns and a number of important gains. A barrage of powerful running backs led by Louis Kessler, John McGuire, and All-Metro fullback Mike Kochel ran behind an explosive offensive line. The defense remained almost wholly intact from last year, adding experience that proved costly to opponents in the air as well as on the ground. Fourteen points were the most any team was able to score against the defensive unit.

Coach James and his assistants are developing the talents of underclassmen with high hopes of continuing Bellevue's winning tradition.

**Tri-Captains Tim Kelling, John McGuire, and Geri Saye (kneeling), engineered the Chiefs to a tie for first place in the Metro National Division.**

# J.V. Squad Capitalizes On Pressure Playing

Winning pressure games vaulted the junior varsity football team into second place in their division with a 5-2 record. Coming through in the clutch, the Chiefs won by two or less touchdowns in four games, the fifth victory coming easily with a 40-14 trouncing of Abraham Lincoln.

Coached by Mr. Wendell Filkins and Mr. Gale Randel, the J.V.'s tough defense yielded an average of less than ten points a game. Monster man (i.e. roving linebacker) Leonard McKenzie, tackle Bill Sellin, and defensive back Dave Friend led the defensive charge.

# Defense-Oriented Sophs Overpower Six Opponents

Defense was the key to a sophomore football season marred only by a 19-12 loss to South. Five times Chieftain opponents were held scoreless, and a sixth victory limited North to only six points.

Offensively, the team progressed steadily. The last four games, the unit failed to roll up less than 41 points a game, and exhibited the ability to become a cohesive attacking force.

The sophomores showed extensive talent, and in the words of Coach Quintin Hughes, "If they really want to be champions, they certainly could."

# Chieftains Earn Second in District

Heartbreaking losses in close games together with a series of run-away defeats gave the Chieftains the cellar position in Metro league standings.

In the first half of most games, the Chiefs were still in contention. However, lack of depth and experience took its toll in the second half. Bellevue fans saw many of the slight leads held by their team at half time eaten away by the time the final buzzer sounded.

The absence of an extremely tall front line kept the Chiefs from dominating the backboards. Often clutch rebounds were lost to more powerful opponents, giving the Bellevue offense less of a chance to score. Inaccurate shooting plagued the team, and even when its field goal percentage was good, other aspects of the game kept a victory out of reach.

The highlight of the season was an upset tournament victory over Boystown, 43-42, giving the Chieftains second place in District.

# J.V.'S Forecast Promising Future

Basketball at Bellevue got a lift from the junior varsity, who scored convincing victories over Ralston, Lincoln Pius X, Thomas Jefferson, and powerful Metropolitan area teams including Creighton Prep and Omaha North.

The J.V.s developed as a unit, exhibiting team spirit as well as individual initiative.

The outstanding players on this squad, together with the juniors on the varsity team, should give Bellevue basketball rooters something to look forward to.

An unusually large turn-out for sophomore basketball gave Coach Gale Randel the difficult job of sifting out the best potential for future varsity basketball teams.

Coach Randel built his team around the nucleus of John Francois, Jim Fricke, Steve Pizzo, Doug Bacon, and Tim McClure.

The sophs' outside shooting was the outstanding trait of a well-balanced, spirited team.

"I was very pleased with the way they came around", was the comment of Coach Randel about the progress his team made this year.

# Bellevue Wrestlers Second in State

The Bellevue wrestlers pinned their way to a 12-1 record this season under the capable coaching of Mr. Nick Chiburis. The Chieftain's only loss was a two-point heartbreaker to undefeated Thomas Jefferson. After placing second in the Metro Conference, the Chieftains surged ahead of challenging schools to capture the title of District Champions.

Three Chieftain grapplers captured State Championships. George Rybar, Louis Kessler, and Phil Painter led the squad to a second place finish in the State.

# Junior Varsity Triumphs Forecast Success in '70

The '69 wrestling season proved triumphant for the junior varsity matmen, ending their season with a record of 11-2. The j.v.'s swept through their first eight matches victoriously until they met defeat at the hands of Tee Jay, 11-33. After winning the next two matches, the matmen again lost, this time outmaneuvered by Ralston, 18-29. The grapplers came out on top over Lincoln Southeast, ending their season with a victory.

Under Coach Nick Chiburis and Coach Walt Griffiths, the junior varsity squad has proved its ability, and provides a promising outlook for the 1970 varsity team.

# Gymnasts Tumble To a 4-5 Record

The Chieftains, plagued by losses due to graduation, managed to tumble to a 4-5 season.

Much of the credit goes to Coach Wendel Filkins, who worked diligently with the gymnasts.

Tim Lawler, captain, and Tony Martinez, co-captain, Mike Sweet, and Bobby Jackson were four of the most successful members of this year's team.

The season began with a one point loss to North, followed by two victories in sucession. At this point, fate seemed to desert the Chieftains as they lost the next three meets. Bellevue rallied to win two against Tech and Abraham Lincoln before dropping their final meet with Prep, 54-58.

At the Metro meet held at Bellevue, BHS gymnasts took third place behind Benson and Prep.

Tony Martinez placed first on the highbar and Bobby Jackson took the top spot on the trampoline. Bellevue's eight qualifiers totaled 43 points as compared to last year's 26 point, seventh-place finish.

It is with high hopes that the team is looking forward to returning to the winning side of the ledger for the '70 season.

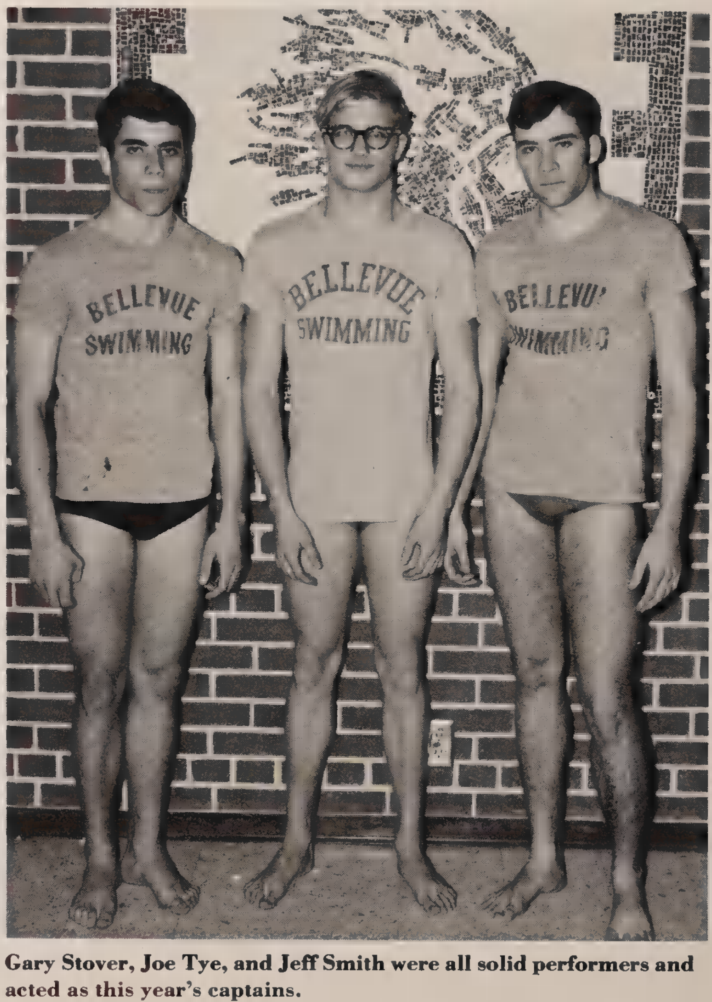
# Mermen Post Best Record Ever

The Bellevue High School swimmers, coached by Mr. Gary Scheet and divers coached by Miss Joan Heckel, posted a 6-6 record for the season.

After losses to Rummel and Benson, the Chieftains won six meets before being submarined by Prep, Southeast, Central, and Lincoln High.

In spite of the four losses at the close of the season, the swimmers won more meets than in any previous year. They also broke more records. The 400-yard free style relay record was broken by 14 seconds, from 3:59 to 3:45, by Joe Tye, Bob Coffee, Gary Stover, and Jeff Smith. A new record was set in the 200-yard medley relay with a 1:57 by John Pesek, Joe Tye, Jeff Smith, and Mike Eastham.

In the Metro swim meet, the Chiefs tied Abraham Lincoln for fourth place. At State, they qualified 12 swimmers and finished in the 13th slot. Gary Stover took sixth in diving, Jeff Smith placed 11th in the 50-yard free style, and the 400-yard free style relay team took tenth.



**Gary Stover, Joe Tye, and Jeff Smith were all solid performers and acted as this year's captains.**

# In Memoriam

*To every thing there is a season,*
*and a time to every purpose under heaven:*

*A time to be born, and a time to die . . .*
*A time to weep, and a time to laugh;*
*A time to mourn, and a time to dance;*

*A time to get, and a time to lose . . .*
*A time to love, and a time to hate;*
*A time of war and a time of peace.*

# Juniors

The Class of '70 has begun a new decade at Bellevue High. As leaders of this new decade, we have assumed the task of establishing new precedents. Throughout our two years in high school, we have strived for unity and individualism. We have strived to maintain the spirit of the class and at the same time uphold the ultimate in goals and school spirit.

Throughout the ages, man has had a quest for knowledge. It is our duty to join in that quest and bring it into all aspects of our lives. May the friendships we made this year be remembered and cherished for the years to come. I know we can look back on our sophomore year as one of the best years of our lives. In the future, I know that the members of the Class of '71, who have shown great spirit and determination, will prove themselves worthy in anything they do.

**Mr. Dobbs' Personal Philosophy**

"A smile costs nothing, but creates much. It happens in a flash and the memory of it lasts forever. It cannot be begged, borrowed not stolen, but it is of no earthly good to anyone until it is given away. So if in your hurry to meet someone who is too weary to smile, leave one of yours for no one needs a smile quite as much as he who has none to give."
